Laguna de Santa Rosa Wetlands Preserve

Dedication of New Trail

Please join us to celebrate the dedication of the new trail in the City of Sebastopol's Laguna de Santa Rosa Wetlands Preserve. The new 4,000-foot trail significantly expands the Preserve's trail network and restoration areas. The trail was made possible by a grant from the Coastal Conservancy, and opens up new possibilities for trail connections to other adjacent public lands.

When: Saturday May 18, 2002 at 10:30 a.m.

Where: At the observation mound on the new trail

Directions: Park in the gravel parking lot behind the Community Center and Youth Annex at 425 Morris Street in Sebastopol. Follow the event signs and walk to the floating bridge between the two ballfields (behind the Youth Park). Cross the bridge, turn left onto the east side walking trail and proceed to the observation mound.

Contact Kenyon Webster in the City Planning Department at kplan@sonic.net or call 823-6167 for more information.

We hope to see you there!
