STATE OF THE LAGUNA CONFERENCE

LETTERS NEEDED FOR CONGRESSIONAL HEARING

The bill creating a national wildlife refuge in the Laguna de Santa Rosa is set for hearing on **July 31, 1990** in Washington, D.C. HR 2548 was introduced by Congressman Doug Bosco last year. Because oral testimony will be very limited, the written record is extremely important. We urge you, as someone who has shown a strong interest in the future of the Laguna, to write a letter this week expressing your views. Letters should be addressed to:

Congressman Gerry Studds
Merchant Marine and Fisheries Committee--Subcommittee on
Fisheries, Wildlife Conservation and the Environment
House Annex #2, Room 543
Washington, D.C. 20515

Your letter and show of interest are vital. Please write today.

VOLUNTEERS NEEDED

In October there will be a chance to work in the Laguna on the County trail. The Volunteer Center and Sonoma County ReLeaf are mobilizing volunteers for a weekend of tree planting. Crew leaders are needed and will be fully trained before the October dates. How about organizing a planting team from your office, club or church group? It's a great opportunity to enhance the Laguna and have a good time with your friends and neighbors, too. For more information call Linda Rayner at the Volunteer Center, 573-3399.
