Is it that thing over there
by that water tank ... Over

I need more information.
I don't like the traffic in
town. I'm not sure how it
would affect the Laguna?

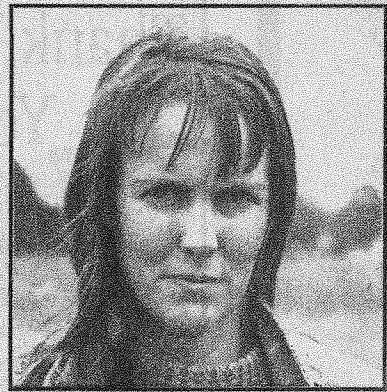

**Gordon Pugh
Sebastopol**

I don't know where it
would be. Is that a new heart
surgery? Tee Hee!

Is there going to be a by-
pass? To me it seems like a
disruption of small town
atmosphere.

What by-pass? My con-
cerns would be: 1. Responsi-
bility and an independent
environmental impact report.
2. Going through town has to
be an option.
