

Job Opportunity

NURSERY TECHNICIAN

The Laguna de Santa Rosa Foundation is now accepting applications for a part-time Nursery Technician!

Our Native Plant Nursery is hiring! Are you looking for an opportunity to learn how to grow California native plants for habitat restoration and conservation projects? We are excited to announce that we are looking for a part-time **Nursery Technician** to join our team. The ideal candidate is a team player that is passionate about native plants, ecology, and isn't afraid to get their hands dirty!

- Support the restoration of the Laguna de Santa Rosa watershed and the conservation of endangered species!
- Help with the propagation of native plants from seeds, divisions, and cuttings, and upsizing seedlings into containers.
- Assist with native plant installation, weeding, and mulching in the Laguna Environmental Center (LEC) landscape.
- Deepen your knowledge around best management and sanitation practices to ensure pathogen-free nursery stock and assist with soil and nursery container pasteurization.
- General duties and responsibilities include nursery maintenance, weeding, pruning, propagation, and supporting volunteer work days.

The Laguna de Santa Rosa Foundation is a watershed-based 501(c)3 non-profit organization in Sonoma County. We work to restore and conserve the Laguna and its surrounding watershed, and to inspire the local community to appreciate this vital resource.

This is a part-time position requiring 16 hours per week located in Santa Rosa, CA. Hourly pay range: \$18 - \$21. Eligible for paid sick leave frontloaded annually, paid holidays, two paid personal days, and 403(b) retirement plan.
